

Interval Practice

1. Write 2nd or 3rd then an arrow indicating if the interval moves up or down

<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

2. Draw in the note that is the specified distance and direction from the given note (Don't forget to put stems on the correct sides!)

2nd up	3rd up	3rd down	2nd down	3rd up
3rd down	2nd down	3rd up	3rd down	2nd up

Slurs and Ties

3. Draw slurs UNDER the notes (like a smile).

4. How many beats does the last note you hear get? _____

5. Play.
